Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Commission records indicate that your committee is a Leadership PAC and Line 6 of your Statement of Organization indicates that Devin G. Nunes is the Leadership PAC sponsor. However, you have checked Line 5(h) which indicates that your committee is a joint fundraising representative. If your committee is a Leadership PAC an amended Statement of Organization should be submitted which indicates the appropriate Type of Committee on Line 5(f).

Furthermore, your committee is listed as a joint fundraising participant on the Statement of Organization filed by the "Leadership Victory Fund," an apparent joint fundraising representative. If your committee is a joint fundraising participant with the "Leadership Victory Fund," please amend your Statement of Organization to disclose this committee on **Line 6**, check the "Joint Fundraising Representative" box to indicate the relationship, and disclose the account established for the joint fundraising effort as an additional depository on Line 9. 11 CFR §102.17(c)(3)(i). Please amend your report to clarify these apparent discrepancies.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action
